- SHANGHAI HONGQIAO International Airport

Information about both airports can be found on the website: [http://www.shanghaiairport.com/en/index.jsp](http://www.shanghaiairport.com/en/index.jsp)

Most long-haul flights connect to PUDONG Airport. Taxis are always available. The fare is approximately 120 RMB (depends on transit time).

The alternative way from PUDONG Airport to the hotel is to take the Maglev train. Shanghai Maglev Train station is located between Terminal 1 and Terminal 2 of PUDONG Airport (follow clearly indicated signs). Take the Maglev Train to the Longyang Road station with the ticket of RMB40 (there are only two stops, do not worry about missing your stop). Then interchange with Metro Line No. 2 and get off at Zhangjiang Hi-tech Park Station. The hotel located at the south of the station with 3 minutes walk distance – it is clearly visible from the metro station and ground level.

Therefore, without a special request for original invitation letter, ZTE Corporation will provide by default a scanned copy of the invitation letter. Please confirm whether your local Embassy / Consulate of China requires the original invitation letter for processing your visa request and let the organizers know if it is needed.
