

# **IEEE 1904.3 RoE TF Closing Report**

April 1-3, 2015

Louisville, CO

Chair: Jouni Korhonen, BRCM

Editor: Peter Ashwood-Smith, Huawei

- ❑ IEEE 1904.3 timeline presented and approved.
- ❑ No baseline document yet (obviously too early for that).

- ❑ IEEE 1904.3 specification structure / ToC discussed. The individual contribution:  
[http://www.ieee1904.org/3/meeting\\_archive/2015/04/tf3\\_1504\\_korhonen\\_1a.docx](http://www.ieee1904.org/3/meeting_archive/2015/04/tf3_1504_korhonen_1a.docx)  
should be used for future proposals as a base template.
  
- ❑ IEEE 1904.3 RoE header format proposal discussed – notes included:
